Events 2025

Enter your aspirational events with optimism!!!

We do want to keep this as a comprehensive list of the huge amount of activity that goes on for St Ayles skiffs.

Please therefore ensure that your own event is here by contacting: events@scottishcoastalrowing.org

Please send results and a brief report to secretary@scottishcoastalrowing.org within 24 hours of your event, so that folk can share their experiences and we can have a record of just how much racing etc has been done. Remember to submit your Cruising Log, recording adventurous journeys you have made during the year of a non-racing nature.

You can download and print the pdf by clicking on the link at the bottom of the page.

Please note that it may take a few days from submitting the details until they show on the calendar.

We can run a second circuit if some clubs want to bring a second crew along. As always, good food and hot drinks will be served in our clubhouse for the duration. We are limited in the number
